

TECHNICAL SERVICE REQUEST

- Inspection Force open Bolt-down Other

1. I certify that I am the owner of TITAN SAFE Model _____ with S/N _____. Attached are a Photocopy of any government issued, valid photo ID b Proof of Purchase (e.g. Official Receipt/Sales Inv./Delivery Receipt) or Notarized Affidavit of Ownership
2. I herewith authorize Zenorex Marketing Corp. (ZMC) to perform Technical Service on this product.
3. I agree to release, indemnify, and hold harmless ZMC from liability for any claims or damages that may arise from any work performed in relation to servicing my TITAN SAFE product, unless it was caused by gross negligence of ZMC or its agents. This includes potential damage to the TITAN SAFE product its contents and/or the surrounding area.
4. I understand that ZMC offers no verbal or written guarantee, expressed or implied, regarding the success of this technical support.
5. I understand that a basic inspection fee becomes payable regardless of the results of the inspection. Depending on the result of the inspection, more costs for labor and materials may be incurred for proper repair. These additional charges are for the account of the unit owner.
6. Fees depend on nature, location, and timing of request.

- Notes:
- a. Service request without attachments to point 1 cannot be processed.
 - b. If you request us to force open your safe, then this form must be notarized.
 - c. If the product is under warranty and ZMC, in its sole opinion, has determined that the problem is a manufacturer warranty issue, inspection fee and repair costs will be waived.
